

## 1. Grammar and vocabulary course

This is an online project that aims to promote the interactive, immersive and culturally rich **learning of Portuguese by foreigners**. Rather than focusing solely on grammar and vocabulary, it provides **language learning through creative and cultural activities that encourage the practical use of the language**. The course combines theoretical classes with practical sessions to provide a comprehensive Portuguese learning experience.

- Target audience: The adult foreign community (Spanish and English speakers).
- Schedule: Thursdays and Fridays at 10:30 a.m.
- Location: online.
- Duration: 4 months (October to February / March to July) | 17 sessions, 60- to 90-minute classes.
- Free activity upon prior registration – Max. 8 participants per session.
