

5. **Lost Paragraph Club – Online reading club**

This is an online space where **readers of Portuguese** can explore **short texts**, discuss their ideas, and most importantly, **reinvent stories**. At each meeting, a story is presented with a **missing paragraph**, and participants are challenged to complete it using their imagination.

Have you ever wondered what it would be like to discover a missing paragraph in a story? **What if you could complete it in your own way?** At the **Lost Paragraph Club**, that's exactly what we're going to do!

Here, reading is about much more than just understanding the text — we want to **explore, invent and create together**.

- Target-audience: Immigrant community with intermediate or advanced level of Portuguese.
- Duration: 90 minutes | Frequency: Monthly, on the first Saturday of each month (starting from the last quarter of 2025).
